

TECHNICAL DATA SHEET B0006

Cleaner designed for the cleaning of substrates (painted metal sheet metal, vinyl) before application, and for the removal of adhesive residues after the removal of vinyl films. May also be used for the cleaning of antigraffiti films. Destined for railway applications.

COMPOSITION:

- 3-butoxy-2-propanol
- Dibasic Ester

CARACTERISTICS OF THE LIQUID:

- Colourless liquid

USER'S GUIDE:

- Use at room temperature.
- Clean the surface with a clean cloth moistened with B0006 or vaporise the B0006 directly onto the surface to be cleaned. May be diluted with water.
- Leave to soak for a few moments (30 to 60 seconds).
- Wipe with a clean dry cloth.
- For optimum results, carry out the final cleaning with a cloth moistened with HEXIS'O solution.
- Refer to the safety data sheet.
- Non hazardous. No special marking, in compliance with EU directives on labelling.

STORAGE:

- Keep container tightly closed.
- Shelf life: 1 year if stored unopened in the original container.

NOTE:

Because of the great variety of substrates and possible application methods the installer must examine the suitability of the media for each application. The methods of measuring for the standards quoted above are the basis for the development of our own measuring methods which are available on request (partial application). You are invited to enquire for the latest instructions in force. All published data are based on measurements carried out regularly under laboratory conditions. They do, however, not constitute a warranty, representation or promise, express or implied as to the condition, quality, merchantability, fitness for a product, or that such product will satisfy any requirement for a specific property or capacity or special methods, all such warranties being hereby expressly disclaimed. The seller assumes no liability for claims beyond the replacement value of any product proven to be defective in material or workmanship and is in no way liable for direct, indirect, special, incidental damages or consequential loss including without limitation lost profits or loss of use, whether based on contract, tort or any other legal theory. Product specifications may change without prior notice. Our website is automatically updated: <http://www.hexis-graphics.com>
