2090x280x865 mm*

Dimensions of the transport bag:

115x115x900 mm*

*Height x depth x width

Weight (excluding graphic): **2 kg**

ASSEMBLY

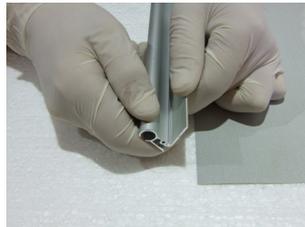

ROLLPRIMO

1

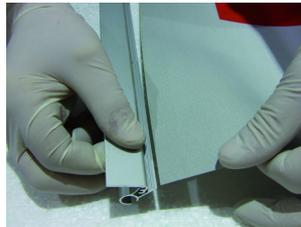

The ROLLPRIMO consists of a steel casing, a non-telescopic pole and a hanger.

2

Open the hanger.

3

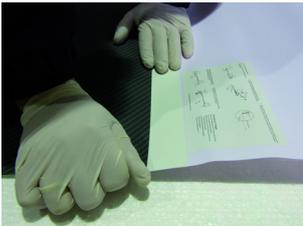

Clip the top of the graphic in the hanger.

4

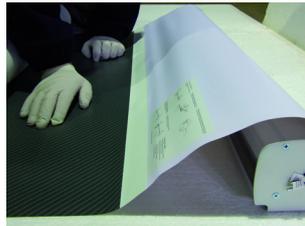

Partly expose the double-sided tape and start applying the bottom end of the graphic.

5

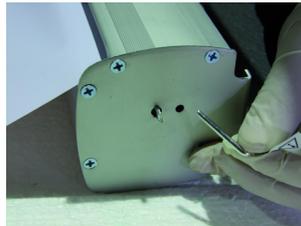

Continue applying the graphic until the full width is taped.

6

Once the graphic is applied to the tape, firmly press down over the full width to ensure proper adhesion.

7

Remove the pin to pull the graphic into the casing. Be careful to hold the graphic and let it roll up smoothly.

8

Roll the entire graphic into the casing.

9

Fit the pole into the casing.

10

Pull the graphic out of the casing while holding the pole.

11

Completely unroll the graphic and fix it to the pole.

12

Gently pull the graphic towards the top and reinsert the pin.
