ASSEMBLY

ROLLDOUBLE

1

ROLLDOUBLE is composed of steel base, a non-telescopic mast and a hanger.

2

Open the header bar.

3

Insert and clip the top of the graphic into the header bar

4

Remove a part of the doublesided adhesive tape and start applying the bottom of the graphic.

5

Keep applying the graphic until it is fully bonded.

6

Once the graphic is stuck, press firmly to fix it definitely.

7

Remove the pin in order to slide the graphic into the base. Be careful to maintain the graphic and the base so that the winding is done properly.

8

Completely wind the graphic into the base, then repeat the work steps 2 to 8 to mount the second graphic.

9

Install the mast into the base.

10

Remove the graphic from the base while holding the mast.

11

Unroll the graphic until the top and attach it to the mast.

12

Repeat steps 10 to 11 for the second graphic.
